## What is www.EncourageAmerica.Org?

Encourage America.org is a website focusing on local positive news.

We Provide a Platform for All Groups to:

- Learn About People Making a Difference
  - Honor Helpers and Achievers
  - Share Their Group's Mission
  - Invite Others to Get Involved

How do we recognize the contributions  
of those who don't seek recognition and  
add to the value of our communities?  
Now businesses can take a stand for  
positive news.

## Businesses

Have you observed individuals who have  
done more than what was expected without  
any thought of compensation of any kind?  
Now citizens can publicly thank someone.

## Citizens

How do you approach someone and say in simple words,

“I observed the wonderful thing you did. On behalf of a grateful community, I want to tell you thanks and please keep up the good work! You are making this a better community for us all.”
